Back to School Shopping

It's time for kids to go back to school. That used to mean new school clothes, when you didn't have to look like everyone else! I thought it would be fun to see how things have changed over the years. Who remembers wearing any of these? Let's face it some styles come and go but some are always classic!

1960's

1980's

1970's

1990's

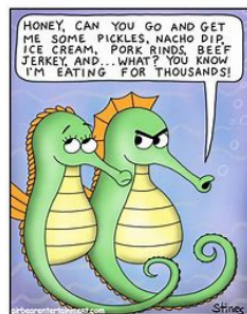

It's our 16th Birthday! Thank you to each of our customers for making this possible!

"Fashion changes, buy style endures."

Weird Animal Facts

- Seahorses are one of the only animals where males become pregnant
- Earthworms have 5 hearts

Larry's Corner

"But seriously, Folks!"

UGH! That is such a dad joke...is something I hear often from my children often, therefore, I thought to torture anyone who would take the time to read these masterfully written dad jokes.

- I wondered why the ball was getting bigger and then it hit me.
- Inflation is really getting out of hand, but that's just my 5 cents worth.
- I sold our vacuum cleaner. It was just gathering dust.
- What did one DNA say to the other DNA? Do these genes make me look fat?
- A cheese factory exploded in France. Da brie was everywhere.
- I got hit in the head with a can of coke today, thankfully, it was a soft drink.
- I had a date last night. It was perfect. Tomorrow, I'll try a grape.
- I had a lot of fun during my childhood. Like when my dad used to put me in tires and roll me down hills. Those were the Goodyears!
- Hey dad! Can you put the cat out? I didn't know it was on fire!
- Did you hear about the kidnapping at school? It's all good now, he woke up.
- What do you call 2 monkeys who share an Amazon account? Prime mates!

Daughter: "Surely, you can do better than this!"

Dad: "Probably, but don't call me Shirley!"

I'll see my way out!
